

*Our Liberties We Prize  
and  
Our Rights We Will Maintain*

- Iowa Motto

## 2022 Candidate for House District 91

*Iowa County and western Johnson County*

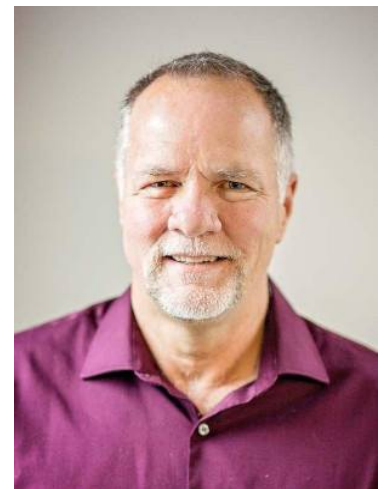

### Why I'm Running

For the first time in our lives, my wife and I are seriously wondering if our 13 grandchildren will grow up in a free country! Government at every level seems to have forgotten its purpose as enshrined in the Declaration of Independence: *Our rights come from God, not government, and the purpose of government is to protect those rights.* This same sentiment is expressed in Iowa's motto, but federal government is out of control and the states seem unwilling to push back, tolerating or accepting the attitude that rights are handed out by politicians. **We need bold voices in Des Moines who understand the foundational purpose of government.**

### Values & Personal Experience

- **Christian Values:** Ordained Christian minister serving in Iowa for more than 40 years.
- **Patriotic Values:** Conducts freedom seminars around Iowa and the Midwest helping people recognize the threats to our freedom and understand the principles that made America blessed and free.
- **Political Involvement:** Experience in caucuses and state-wide political organizations, chair of the Iowa County Republicans, a state coordinator for Mike Huckabee's campaigns, and more.
- **Pro-life Action:** Cofounder, president and board chair of Informed Choice of Iowa medical clinics for 10 years.
- **Personal Rights:** Strong supporter of the Constitution, including freedom of speech, assembly, privacy, and the right to keep and bear arms.
- **State Rights:** Federal government should be restrained according to the few powers enumerated in the Constitution. All other rights belong to the states and the people. I embrace the right of the states to nullify unconstitutional federal mandates.
- **Hobbies:** Hunting, competitive shooting sports, hobby gun smithing and metal work.
- **Real Life Common Sense Experience:** Operation and repair of heavy equipment, general contracting, home construction, real estate development, and swamp draining!
